

GALAKHOVA VALERIYA

FRONT-END ENGINEER

SUMMARY

Hi, I'm Valeriya, a passionate front-end developer with a strong foundation in JavaScript, HTML5 and CSS3. As a candidate of chess-master, I possess a highly analytical mind and a strategic approach to problem-solving. I am committed to continuous learning and self-improvement, leveraging my strong self-educational and self-disciplinary skills. I'd describe myself as someone who is ambitious, hardworking, and motivated by challenges.
